**2,967** Students Applied for Internship

97% of applicants completed internship

**123** Interns also achieved College Credit

*"My internship with Pevida Highway Designers has been an eye-opening experience. I learned so much about the world of engineering and the doors that can be opened for me in the future."*

**Jeremy Gay**  
Booker T. Washington Senior High  
Academy of Engineering

*"Interning at The Reyes Law Firm gave me firsthand experience in a field that I would like to pursue. I am starting my senior year with a clear understanding of what an 8-5 job feels like, which will help me in making informed career choices."*

**Carolina Miranda**  
Coral Reef Senior High, Academy of Finance

*"I now know so much of what goes into running a vet clinic because of my internship at E & L Animal Clinic. I gained real world experience that cannot be achieved in a school setting."*

**Dariel Rodriguez**  
Hialeah Gardens Senior High  
Academy of Health Sciences

### Comments from Internship Providers...

- I find that every year the students are more engaged than the year before.
- Our intern must have great teachers who instilled the passion he exhibited during the internship.
- The program does an excellent job at communicating with the students and letting them know what is expected and how to behave.
- We cannot wait until next year's interns arrive!
